investigation and discipline. Except in an emergency, on days school is in session each employee shall be expected to call in to the employee sick line as early as possible, but not later than one and one-half (1½) hours prior to scheduled reporting time.

- 11.2 Employees at work for all regularly scheduled hours during each trimester of the school year shall receive an additional \$50 for each such third of the school year. Payment for accumulated leave shall be made in the payroll period immediately following the employee's effective date of retirement/resignation. Payment under this article shall be the sole payment to an employee upon resignation or retirement.

Any employee receiving Worker's Compensation benefits who does not resign, retire, or return to work within the time limits provided for in Article 16 shall not be eligible for payment under this section.

In the event of an employee's death, payment for any accumulated sick leave shall be made to his/her beneficiary.

- 11.4 It is expressly agreed that in addition to bona fide usage for sick leave purposes, the employee may utilize three (3) sick leave days for emergency purposes upon the prior approval of the Superintendent. Additional days of emergency leave may be taken by the employee when necessary, with the approval of the administration, deductible from sick leave.

11.6 If a member is required to serve on a jury, or as a witness, when subpoenaed to a hearing, the Employer shall pay the difference between the jury fee/witness fee and the employee's normal wages (based on the employee's regularly scheduled hours for the day, excluding overtime), but only in those instances where the employee is not a party to said action.

11.7 All paid leave days shall be based on an employee's regularly scheduled hours for the day, excluding overtime, unless other arrangements have been mutually agreed upon.

- 16.5 In the event an employee is injured while at work and does not qualify for Worker's Compensation for lost time wages, the Employer shall pay these lost time wages at the employee's current rate of pay for the maximum of seven days.
